Recital II Day! - May 31st - 11:00a.m. Show

DRESS REHEARSAL: May 29th, 2025 4:15p.m. - 8:00p.m. -Check the schedule at the end for your exact stage time.

What do I need to do?

You are required to be at dress rehearsal for your dance. Once your dance or dances are over you may leave. (All students participate in the finale in a group bow but there is no dress rehearsal for that).

It is very important for your dancer to be at dress rehearsal. A child's first time on stage can bring out a few jitters. With getting them on stage before the show and running their routine it allows the dancers to: know where they are supposed to stand, feel what it's like to dance with their costume on, and gain more confidence.

Hair and Makeup **needs** to be done for dress rehearsal. We will follow the order of the recital. (All Competition Numbers are excused from Dress rehearsal)

HAIR: Have hair done before arrival!

Dance students participating in the recital should follow these guidelines for hair. Hair should be done for all dress rehearsals and performances.

- Hair must be parted straight down the dancer's LEFT side, then slicked back into a low bun
- Absolutely no wispies/fly-aways, and no bangs
- Hair is best done when wet
- Use generous amounts of hairspray and bobby pins/hairpins
- Pre-Ballet & KinderCombo students should have hair off of the face, in a bun if possible.

Makeup: Have Makeup done before arrival!

****If you do not apply the right amount of makeup students look washed out on stage under the bright lights.**

- eyeshadow (white color all over and then a dark grey finish to create a “smoky” eye look)
- pink blush
- red lipstick
- black mascara

Optional items to amplify the look:

- fake eyelashes
- glitter
- bronzer
- black eyeliner

Dressing Rooms:

You will receive your assigned dressing room when you arrive for dress rehearsal.

IMPORTANT NOTE FOR ALL PREBALLET CLASSES!!!!**Pre-BALLET:**

If your child is in the pre-ballet classes he/she will stay with you the entire time. Please have them in their costume ready to go. You will come back stage four numbers before your child's performance. (I will show you how to do this at dress rehearsal) You may go back out to watch from the auditorium or stay back stage to watch from the wings. Once they are done performing you will pick up your child backstage by the dressing rooms. Please bring them back for the finale 2 numbers before (Optional). They can sit in your lap or you can purchase them a seat.

VOLUNTEERS:

ADA's hope is that the recital runs as smoothly and professionally as a Broadway act! With that in mind, we need some help from you! Please log onto your parent portal to sign up to be a volunteer.

All volunteers get to see their dancer perform. *Ticket Sales Volunteers miss the first 4 numbers of the show but can trade off with one another so they don't miss their dancer's performance, if they are in the first 4 numbers.

Front of House Assistant - You will need to be close to the entrance to direct students and parents where to go. After the show has started you may sit and watch the whole show!

Costume Moms - Stay with certain levels and make sure they are getting changed and on stage on time. (Our moms are great at doing buddy passes so each mom can watch their child's dance from the auditorium)

Ushers - Stay by the doors and make sure no one is entering/exiting the auditorium except for in-between acts. They stay by the doors (inside) the entire show.

Ticket Sales & Will Call - Stay by front door and sell tickets to those who have not purchased tickets yet. If a parent has not brought their tickets or picked them up they will also be able to handle this at your table.

Back Stage Checkin - Check all the students in and out of backstage and help direct dancers to the correct dressing rooms. This is a great job for any Level III and IV students to volunteer for. We will need one adult checking kids in and out.
